

HOME WEATHERIZATION

This program helps clients save energy, as well as keeps their homes warmer in winter and cooler in summer.

WHAT IS IT?

Our program makes homes safer and more comfortable. Weatherization improvements also make buildings more energy efficient to help lower energy bills in the long run.

HOW DOES IT HELP? YOU MAY RECIEVE...

- AIR SEALING** to stop drafts
- INSULATION** for attics, walls, basements, and crawl spaces
- REPAIR OR REPLACEMENT** of heating systems
- ENHANCED** indoor air quality and ventilation

DO I QUALIFY?

You must meet the income guidelines. Our program works on single-family and multi-family homes. The home needs to meet minimum structural requirements.

Household Size	1	2	3	4	5	6	7	8	9	10
Annual Gross Income	\$29,160	\$39,440	\$49,720	\$60,000	\$70,280	\$80,560	\$90,840	\$101,120	\$111,400	\$121,680

If you receive SSI or an approved LIHEAP benefit you automatically income qualify!

WHAT DO I NEED TO DO?

Contact a CEDA partner intake site near you, listed at CEDAorg.net/sites. You'll need these documents:

- ✓ Proof of 30-day gross income for 18+ household members
- ✓ Current copy of gas and electric bills
- ✓ State issued ID or driver's license for the head of the household
- ✓ Proof of social security numbers for all household members (social security card, printed letter from social security, or any other government-issued ID showing name and social security number)
- ✓ Proof of home ownership (current property tax bill, current mortgage statement, recorded deed, or mobile home title)
